RE-OPENING OF NAVIGATION.

In contequence of the exceedingly severe weather experienced throughout the country the past three months, and the interval which has elapsed since the interruption to navigation, the preprietors of Mescenger's London Cordial Gin were unable to supply orders, which, by ledegraph and mail, accumused on their hands. This they the more regret, as since the introduction of this second that the second second three country affected with dyspepsia at the other standard threatment were encountried; having the open second seco

It is, without qualification, the purest tonic beverage imported. It is distilled from the pure jumper berry and other choice tonics and simulants, and is, therefore, not only highly aromatic but exceedingly patisable.
